13 Specialist & custom solutions

Starting prices are indicative service fees for the scope shown, in INR and excluding applicable taxes. Software access, paid add-ons and usage are separate unless the written quote explicitly includes them. Starting scope covers one brand, one language and one location unless stated otherwise.

Prices in INR | Edition: 31 October 2026

SERVICE COLLECTION 01

Websites & online enquiries

Give customers a clear place to discover your business, ask a question and take the next step.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Business website Up to 5 pages, mobile-friendly layout, enquiry form and contact details; you supply text and images.	**₹16,000** one-time	Optional care from ₹2,000/month.
Campaign landing page One focused page, up to 6 sections and an enquiry form for one offer.	**₹6,000** one-time	Optional care from ₹2,000/month.
Enquiry form or survey One form with up to 10 questions and a notification to the right person.	**₹2,000** one-time	Sending charges apply to email or message notifications.
Booking or review QR pack Up to 3 branded QR codes linking customers to your booking, review or enquiry pages.	**₹2,000** one-time	Printing and physical displays are extra.
WordPress website A 5-page site or straightforward migration, using a suitable existing theme.	**₹16,000** one-time	Hosting from ₹1,400/month; optional care extra.

Also available. Online quizzes, blogs, website refreshes, additional languages, domain setup and simple offer pages.

Before you budget. Domains, paid themes, stock images, copywriting, photography, translation and additional pages are quoted separately. Connecting your domain does not include buying or renewing it.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

SERVICE COLLECTION 02

Customer enquiries & sales follow-up

Keep customer details, enquiries and follow-ups organised so your team knows what needs attention.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Customer management workspace One business profile, up to 5 staff accounts and agreed access permissions.	**₹3,000** one-time	Software access is quoted separately.
Sales enquiry tracker One sales process with up to 8 stages, enquiry owners and deal values.	**₹3,000** one-time	Optional care from ₹2,000/month.
Automatic follow-up sequence Up to 5 follow-up messages for one customer journey, with clear stop conditions.	**₹5,000** one-time	Email, WhatsApp or SMS usage is extra.
Enquiry assignment & alerts One routing setup for up to 5 salespeople, with a fallback for unassigned enquiries.	**₹4,000** one-time	Extra branches or independent sales processes cost more.
Customer list clean-up Up to 5,000 records checked against an agreed duplicate and formatting rule set.	**₹4,000** one-time	Missing-data research, verification and complex recovery are extra.

Also available. Lead prioritisation, company accounts, quotations follow-up, callback reminders, sales reports and dealer enquiry distribution.

Before you budget. A larger database, several sales teams, complex permissions, more message variations or moving from another system can change the quote. Buying a follow-up system does not include a person making sales calls.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

SERVICE COLLECTION 03

Bookings, appointments & service menus

Let customers book a suitable time and help your team manage availability, reminders and missed appointments.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Online appointment booking One booking page, one calendar, opening hours, buffers and customer questions.	**₹2,000** one-time	Optional care from ₹2,000/month.
Team booking system Up to 5 staff members, shared booking rules and connected availability checks.	**₹4,000** one-time	Additional staff, branches or scheduling rules are extra.
Appointment reminders & rebooking Confirmation, advance reminders and a cancellation or rescheduling route.	**₹3,000** one-time	Message delivery is charged separately.
Paid bookings or deposits One supported payment method, one booking charge and payment-status checks.	**₹4,000** one-time	Payment-provider charges and refunds are separate.
Services & treatment menu Up to 10 services, staff assignments, durations and supported service options.	**₹8,000** one-time	Extra services, price rules or branches are quoted separately.

Also available. Class bookings, group sessions, no-show follow-up, room or equipment scheduling, repeat visits and event appointments.

Before you budget. We confirm whether your payment method works with the chosen booking experience. Calendar connections need your access and correct staff availability. A change to a deposit or cancellation policy may need additional setup.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

SERVICE COLLECTION 04

WhatsApp & email communication

Keep in touch with customers through useful, timely messages and a clear route back to your team.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Official WhatsApp setup Connect one eligible business and number, complete onboarding steps and test the connection.	**₹4,000** one-time	Connection from ₹1,200/month; messages extra.
WhatsApp message pack Up to 5 message templates in one language, with customer details filled in automatically.	**₹3,000** one-time	Approval is subject to the messaging provider.
WhatsApp campaign One approved message, one existing opted-in audience and a delivery report.	**₹3,000** per campaign	Message delivery, connection and new copy or artwork are extra.
Email welcome series Up to 5 emails introducing your business and guiding new enquiries to the next step.	**₹6,000** one-time	Email delivery and list checks are extra.
Managed email newsletters Prepare and send 4 newsletters/month using supplied content and an agreed audience.	**₹6,000** per month	Initial template/setup from ₹3,000; delivery extra.

Also available. WhatsApp reminders, team inboxes, interactive menus, customer surveys, booking journeys, sender setup and email list checks.

Before you budget. We confirm number eligibility, message approval, consent and the customer contact details needed. Messages can cost different amounts by purpose and destination. An ordinary WhatsApp app account is not automatically a business messaging connection.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

SERVICE COLLECTION 05

Social media & paid advertising

Keep your business visible and run campaigns with a clear destination for the enquiries they generate.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Social post scheduling Schedule 12 client-supplied posts/month across up to 3 agreed supported profiles.	**₹4,000** per month	Initial profile and publishing setup from ₹2,000.
Social creative production Create 12 simple static posts/month using an agreed brand style and supplied business information.	**₹12,000** per month	Initial design setup from ₹4,000; paid assets extra.
Short video editing Edit 4 short videos/month from supplied footage, with basic captions and exports.	**₹12,000** per month	Initial style setup from ₹4,000; filming extra.
Facebook & Instagram ads One offer, up to 2 audiences, 3 supplied creatives and enquiry tracking.	**₹8,000** one-time	Management from ₹6,000/month; ad spend extra.
Google Search ads One campaign, up to 2 ad groups and an agreed enquiry or purchase measurement.	**₹10,000** one-time	Management from ₹6,000/month; ad spend extra.

Also available. LinkedIn campaigns, retargeting, ad copy and creative packs, conversion tracking, blog writing and turning longer content into shorter posts.

Before you budget. Your advertising budget is separate from our service fee. More platforms, campaigns, original creative work, filming or frequent offer changes increase scope. Lead volume and sales depend on the offer, audience, budget and follow-up.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

SERVICE COLLECTION 06

Reviews, referrals & repeat customers

Make it easier for customers to share feedback, return for another purchase and recommend your business.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Review request system One customer trigger, 2 request messages and a reminder or stop rule.	**₹3,000** one-time	Message delivery and optional reply management are extra.
Review QR & feedback page A public review route and a separate private feedback option for service improvements.	**₹2,000** one-time	Printing and optional ongoing changes are extra.
Customer win-back campaign One eligible customer group and up to 3 follow-up messages.	**₹4,000** one-time	Message delivery and new promotional creative are extra.
Renewal or repeat-visit reminders One renewal or repeat-purchase journey with up to 3 reminder points.	**₹4,000** one-time	Message delivery; extra products or journeys are separate.
Customer referral tracking A simple way to record who referred a new customer and prepare a reward report.	**₹5,000** one-time	Your reward costs and payouts are separate.

Also available. Birthday offers, after-purchase follow-up, customer satisfaction surveys, review replies, video testimonials and more advanced loyalty programmes.

Before you budget. Reviews must come from real customers; no specific rating is promised. Referral tracking is different from a full points-and-redemption programme. Discounts, gift value and free products remain your business costs.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

SERVICE COLLECTION 07

Local visibility & search

Help people find accurate information about your business and improve the pages they reach from search.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Google Business Profile support Set up or correct one eligible location, with accurate business details and supporting information.	**₹4,000** one-time	Google approval and verification timing can vary.
Local visibility review Review up to 3 search terms and a defined local area, with a practical findings report.	**₹4,000** one-time	Paid research-tool access, where needed, is extra.
Website search improvements Improve titles, headings, page descriptions and internal links on up to 5 existing pages.	**₹8,000** one-time	New content, extensive repairs or monthly work are separate.
Business directory management Check one business's name, address and contact details and connect eligible listing services.	**₹4,000** one-time	Listings software from ₹4,000/month; coverage checked first.
Managed search programme Connect one website, agree the search terms to monitor and establish a reporting baseline.	**₹6,000** one-time	Management from ₹6,000/month; paid search tools extra.

Also available. Business profile posts, content refreshes, blog programmes, competitor comparisons, website repairs and search or AI-visibility reports.

Before you budget. A Google Business Profile itself is free; our fee is for the work. Specialist search software, if selected, can start around ₹9,000/month in addition to management. Rankings, AI mentions and enquiry volumes are not guaranteed.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

SERVICE COLLECTION 08

Payments, online stores & customer orders

Give customers a clear way to buy, pay and receive updates, while keeping the order information useful to your team.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Payment links & checkout Up to 3 supported offers, payment confirmations and customer record checks.	**₹3,000** one-time	Merchant onboarding and payment-provider fees may be extra.
Invoice & payment reminders One branded invoice format, reminders and actions when a payment is received.	**₹4,000** one-time	Payment fees and message delivery are separate.
Quotes, proposals or agreements One customer process and supplied terms, using supported quote or signing features.	**₹6,000** one-time	Extra templates, signers or original legal wording are separate.
Online store Up to 20 supplied products, collections, supported product options and checkout.	**₹20,000** one-time	Software, payment processing and fulfilment are separate.
Connect an existing Shopify store One store, customer/order information mapping and agreed purchase scenarios.	**₹8,000** one-time	Shopify, its apps and any additional connection costs are separate.

Also available. Subscriptions, failed-payment follow-up, abandoned-checkout messages, gift cards, coupons, order updates, returns and stock-related connections.

Before you budget. Payment methods and recurring charges depend on your merchant provider and business eligibility. Shipping, products, returns and payment fees remain separate. Invoice setup does not include statutory accounting or tax filing.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

SERVICE COLLECTION 09

Courses, communities, events & member access

Create a structured experience for learners, members, attendees and clients who need ongoing access to your business.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Course library One branded course area with up to 20 supplied lessons and member access.	**₹12,000** one-time	Paid enrolment, original course content and management are extra.
Community hub One member group, up to 5 discussion areas and an onboarding journey.	**₹8,000** one-time	Paid memberships and moderation are separately scoped.
Client portal A branded member login, navigation and agreed access to existing client information.	**₹6,000** one-time	Custom screens, document access rules and software may add cost.
Ticketed or RSVP event One event, up to 3 ticket types and 3 sessions or speakers, where supported.	**₹12,000** one-time	Payment fees, event software and on-site operation are separate.
Live online meeting or workshop Set up to 3 hosts, guest access and a tested joining or calendar link.	**₹6,000** one-time	Availability, conference usage and recording terms confirmed first.

Also available. Paid course offers, certificates, badges, learning progress reports, community events, recorded webinars, attendee check-in and branded member apps.

Before you budget. You supply course materials unless content creation is purchased. Live delivery, presenters, event staff and moderation are separate. Native events and meeting tools require an availability check; external platforms can be quoted as alternatives.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

SERVICE COLLECTION 10

AI assistants & customer support

Answer routine questions faster, gather useful information and hand customers to the right person when needed.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Website FAQ assistant One website assistant, up to 20 test questions, lead capture and a human handover route.	**₹12,000** one-time	AI software or usage, upkeep and software access are separate.
WhatsApp enquiry assistant One qualification journey with business knowledge, customer questions and a staff handover route.	**₹12,000** one-time	WhatsApp connection, messages and AI use are extra.
AI booking assistant Connect one eligible booking calendar and test questions, booking choices and exceptions.	**₹12,000** one-time	AI and message or call usage are separate.
Shared customer inbox Bring agreed email, live chat or social messages into one ownership process for up to 5 staff.	**₹4,000** one-time	Extra channel subscriptions and human handling are separate.
AI-assisted business task One defined multi-step task, up to 3 supported tools and clear failure or handover rules.	**₹30,000** one-time	Running costs, connected tools and upkeep are extra.

Also available. Support case tracking, a searchable business knowledge library, conversation summaries, agent quality reviews, staff AI workspaces and eligible voice assistants.

Before you budget. AI needs supplied business knowledge, testing and a route to your team. A monthly AI plan is not unlimited phone or messaging spend. Voice reception is quoted only after checking the country, number and provider; Indian-number solutions may need a separate calling provider.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

SERVICE COLLECTION 11

Team operations, reporting & connected tools

Reduce repeated administration and give owners and teams a clearer view of work, customers and results.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Business dashboard Up to 10 agreed measures showing the customer, sales or appointment information already available.	**₹6,000** one-time	Extra data sources and management reporting are separate.
Staff tasks & customer onboarding One onboarding process with owners, due dates and a reusable checklist.	**₹6,000** one-time	Full project workspaces require a software availability check.
Team training One 2-hour practical session, preparation and a recording or agreed notes.	**₹4,000** per session	Extra sessions, new workflows or ongoing staff support are separate.
Spreadsheet connection One spreadsheet, up to 10 fields and agreed checks for duplicate information.	**₹6,000** one-time	Connection usage and external subscriptions may apply.
Connect two business tools One defined process between existing tools, with up to 5 agreed steps and failure alerts.	**₹24,000** one-time	Provider subscriptions, run charges and ongoing engineering are extra.

Also available. Customer data imports, migrations, business records, team permissions, scheduled reports, accounting or POS connections, system reviews and recovery diagnostics.

Before you budget. Large or untidy data, several systems, complex access rules and unreliable existing connections need additional work. A dashboard uses captured information; it cannot recreate customer activity that was never recorded.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

SERVICE COLLECTION 12

Industry systems & branded business tools

Combine bookings, customer management, communication and operational tools around the way your business works.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Rental booking system Up to 10 rental listings, availability, supported stock options and a booking page.	**₹8,000** one-time	Complex seasonal pricing, deposits and outside calendars are extra.
Customer loyalty programme One supported points or rewards programme with earning and redemption rules.	**₹12,000** one-time	Availability check required; reward value, software and POS connections extra.
Partner or affiliate programme One campaign, eligible products, referral tracking and agreed commission rules.	**₹8,000** one-time	Affiliate commissions, payout fees and programme management extra.
Branded client or member app An eligible branded member experience, supplied brand assets and rollout preparation.	**₹12,000** one-time	Member-app software from ₹6,000/month; availability confirmed.
Multi-branch business setup Up to 5 locations, shared setup conventions and agreed access permissions.	**₹30,000** one-time	Software/add-ons per branch and combined reporting are separate.

Also available. Restaurant menus, reservations and online ordering; field-service jobs and dispatch; custom client portals; interactive calculators; desktop branding; custom apps; and branded software businesses.

Before you budget. Specialist restaurant, field-service, advanced loyalty and app features depend on account access and current provider support. We confirm fit before quoting. App-store submission, iOS support, delivery services and a connection to any specific POS are not automatically included.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

SERVICE COLLECTION 13

Specialist & custom solutions

For businesses that need a more tailored customer experience, branded software or a deeper connection between teams and systems.

STARTING SCOPE AND SERVICE FEES

SERVICE & INCLUDED STARTING SCOPE	SERVICE FEE FROM	ONGOING COSTS / CONDITIONS
Restaurant operating tools Menu, floor/table setup, reservations and a guest ordering website, subject to supported features.	**₹40,000** one-time	Availability check; software, payments, delivery and POS connections extra.
Field-service operations A job workflow for up to 5 technicians and 10 services, with scheduling, visits and invoicing.	**₹48,000** one-time	Availability check; software, messaging and connected systems extra.
Interactive calculator or quotation tool One custom customer tool embedded in an existing website, with agreed calculation rules.	**₹30,000** one-time	Hosting, ongoing engineering and new pricing rules are separate.
Custom member web app Up to 5 supported screens using existing customer, course, appointment or member information.	**₹20,000** one-time	Availability check; custom features and ongoing software extra.
Android member app build Branding, supported navigation and tests for one eligible member-app build.	**₹24,000** one-time	Publishing route, devices, software and ongoing fees confirmed first.
AI voice receptionist One tested greeting, knowledge and handover journey on an eligible number in a supported market.	**₹20,000** one-time	AI, calls and upkeep extra; Indian-number deployments quoted separately.
Branded software business Up to 3 customer plans, a reusable setup and tested customer account and billing journeys.	**₹72,000** one-time	Software, payment collection, messaging and customer support separate.
Branded desktop experience One agency brand profile and rollout tests on up to 5 supported devices.	**₹16,000** one-time	Availability, distribution and recurring licence fees confirmed first.

Also available. Partner portals, deeper accounting or POS connections, native support desks, tailored business records, AI quality programmes and consolidated multi-branch reporting.

Before you budget. These services need a fit and availability check before commitment. We agree the supported features and delivery route first. No connection to a particular POS, delivery platform or accounting package is assumed. Android, iOS and app-store publishing are different scopes.

Setup prices cover the stated work. Software, paid tools and consumption are quoted separately. Monthly care is optional unless the offer itself is a managed monthly service.

COMBINED SERVICES

Solutions for your business

Bring several services together around one customer journey. These are starting implementation prices; the final quote defines the quantities, connections and ongoing costs.

BUSINESS	WHAT THE SYSTEM CAN HELP YOU MANAGE	SETUP FROM
Salon or spa	Services menu, bookings, reminders, reviews and return-visit journeys.	₹28,000
Gym or fitness studio	Trial enquiries, class bookings, follow-up and membership renewal reminders.	₹28,000
Coaching or admissions team	Application forms, counsellor assignment, appointments and fee follow-up.	₹32,000
Clinic or dental front desk	Appointments, basic intake, reminders, follow-up tasks and reviews.	₹28,000
Real-estate sales team	Property enquiries, agent allocation, visit bookings and a sales tracker.	₹40,000
Restaurant or cafe	Menu/enquiry page, booking enquiries, reviews and repeat-customer offers.	₹24,000
Home-services business	Enquiries, quotations, appointments, invoices and review requests.	₹36,000
Rental business	Asset listings, availability, pricing rules, deposits and customer notifications.	₹32,000
Online store or D2C brand	Storefront, order updates, gift cards and an agreed sales report.	₹48,000
Consultant or coach	Booking, payment collection, client onboarding and a file portal.	₹32,000
Course or training business	Lessons, paid enrolment, timed content, community and certificates.	₹48,000
B2B distributor or dealer network	Company contacts, quotations, follow-up and partner reporting.	₹40,000

These are combined implementations; shared setup is scoped once. Software, message/AI usage, paid tools, ongoing management and taxes are additional.

Restaurant pricing here covers customer engagement; specialist ordering/floor tools need an availability check. Clinic scope is front-desk operations, with specialised medical records and compliance assessed separately. Course examples assume supplied lessons.

AFTER LAUNCH

Ongoing care & example budgets

Manage the finished system yourself, or purchase a defined work allowance. Software subscriptions and consumption continue separately.

CARE OPTION	FROM / MONTH	WORK ALLOWANCE & COVERAGE
Essential care	**₹2,000**	**Up to 2 hours/month** A check of one agreed customer journey, small edits and basic issue review.
Ongoing improvement	**₹6,000**	**Up to 4 hours/month** Review results, make agreed improvements and maintain a defined set of customer journeys.
Custom connection or app care	**₹12,000**	**Up to 4 specialist hours/month** Monitor and maintain an agreed custom connection or app; investigate a bounded set of issues.

Response times, unused hours, emergencies and additional work are agreed in the proposal. The allowance does not include unlimited changes or staffed customer handling.

Example 1: team booking with optional care

SERVICE PORTION	FIRST MONTH	LATER MONTHS
Team booking setup + optional Essential care	**₹6,000**	**₹2,000**

₹4,000 setup + ₹2,000 care. Add required software, connections, message use and applicable taxes. The subtotal is not an all-inclusive operating price; care can be omitted.

Example 2: Facebook / Instagram campaign

SERVICE FEES + EXAMPLE AD BUDGET	FIRST MONTH	LATER MONTHS
₹8,000 setup + ₹6,000 management + ₹15,000 ad budget	**₹29,000**	**₹21,000**

Add required software, new creatives, message/AI use and taxes. ₹15,000 is a customer-chosen example budget, not a minimum or an enquiry guarantee.

KNOW THE FULL BILL

Extra costs to allow for

Indicative customer-facing figures. Provider pricing, availability and chosen plans can change; each paid item is confirmed in the written quote and charged once.

COST	HOW IT WORKS
Software access	Quoted for your chosen services and business locations. If suitable software is already paid for, the quote identifies what can be reused.
WhatsApp connection	From ₹1,200/month for one eligible connected business account. Campaign and service-message usage is additional.
Email delivery	Indicative sending from ₹95 per 1,000 billable email events. Receiving, copying or forwarding may also create billable events.
Email address checks	From ₹350 per 1,000 checks, when purchased. Rechecking a list can create new charges.
Customer-facing AI plans	Selected plans from ₹6,000/month, or a usage-based option where available. Included responses/minutes, fair-use limits and extras are stated in the quote.
Website or app hosting	Quoted for the chosen setup. WordPress hosting from ₹1,400/month; custom apps can have separate running and storage charges.
Advertising budget	Paid separately from setup, content and management. The agreed campaign budget is shown on its own line.
Online payments	Your payment provider charges for eligible transactions and may charge for other services, refunds or disputes.
Branded member app	Eligible member-app software from ₹6,000/month. Customer/member, staff/CRM and desktop apps have different fees.
Domains, licences and materials	Domain registration and renewal, paid assets, premium templates, plugins, printing and hardware are separately quoted.
Messages and calls	Rates depend on channel, destination, message type, number and usage. We confirm the chargeable units and allowances before launch.
Specialist subscriptions	Search, listings, event, restaurant, loyalty, meeting or external business tools may require separate paid access. Exact terms are confirmed first.

No blanket message or AI allowance is implied. We state included quantities, any cap, and how extra usage is charged.

YOUR PROPOSAL

A clear scope before we start

Starting prices describe a bounded job. Your written proposal turns the selected services into a clear first-month and ongoing budget.

WHAT CAN CHANGE THE QUOTE	EXAMPLES
More scope	Additional pages, products, content, forms, customer journeys, languages or revisions beyond the agreement.
More locations or complex teams	Separate branches, business accounts, permissions, calendars and combined reporting.
Moving or repairing information	Large imports, untidy data, old systems, missing records or a complicated changeover.
Original content and production	New copy, translations, photography, filming, advanced editing, design and licensed materials.
Custom connections	Linking to a specific provider, handling failures, moving information both ways or creating custom software.
Hands-on operations	Staffed inbox handling, live chat, sales calling, moderation, event staffing or reserved support hours.

Your proposal confirms

- What will be delivered, quantities, agreed revisions and how you can check the finished work.
- The one-time fee, first-month total and normal ongoing monthly total, with any variable usage clearly identified.
- The software and accounts needed, what is included, and what you or your existing provider already pay for.
- The delivery steps, required content and access, and any provider approvals that can affect launch.
- The support allowance, how extra work is priced, billing period and cancellation or export arrangements.
- Ownership and access for your customer data, domains, advertising accounts and supplied content.

Availability, approvals and results

Some features depend on country, number, payment provider, software plan or restricted access. We confirm availability and approval requirements before commitment. Indian-number voice services may need a separate provider. Member, Android, iOS, desktop and app-store publishing are different scopes.

We deliver the agreed work. Sales, rankings, review ratings, ad reach, message delivery and AI accuracy also depend on your business, providers and customer behaviour. Ownership, access and export arrangements are agreed before starting.

Tell us what you need

Share your business type, main problem, locations, staff, existing tools and expected enquiries, bookings or messages. We will scope a starting solution and show the one-time and ongoing costs clearly.

Pricing guide dated 31 October 2026. INR; applicable taxes extra. Final scope and fees confirmed in writing. Availability references: India calling guidance and published platform information.
